

“Advanced Materials”

21-25 July, 2019

Sts. Constantine and Helena resort, Varna, Bulgaria

The Workshop “**Advanced Materials**” is organized by the Faculty of Chemistry, University of Sofia within the H2020-TWINN-2015 Project “**Materials Networking**”. The workshop aims at gathering together scientists from the partner organizations working in the area of advanced materials.

Partner Organizations

- Department of Materials Science & Metallurgy, University of Cambridge, UK
- Max-Planck Institute of Polymer Research, Mainz, DE
- Faculty of Chemistry, University of Barcelona, ES

Travel and accommodation:

Accommodation and meals for all participants from the partner institutions will be covered by the project Materials Networking.

Travel expenses for participants from partner organizations should be covered by the project budget distributed to the partner organizations.

Application:

Not later than May 16th, 2019, the applicants from each partner institution should express their interest to participate in the event to the project contact person from their institution:

1. Max-Planck Institute for Polymer Research (MPI-P) Dr. Kaloian Koynov, koynov@mpip-mainz.mpg.de
2. University of Cambridge - Department of Materials Science & Metallurgy (DMSM-UCAM) Dr. Rumen Tomov, rit21@cam.ac.uk.
3. University of Barcelona, Faculty of Chemistry (FC-UB) Prof. Konstantin Neyman, konstantin.neyman@icrea.cat

Abstracts for oral presentations should be sent to the project e-mail address: mn@chem.uni-sofia.bg and to the project contact person from their institutions, listed above.
Deadline for abstract submission: 11.06.2019.
